

## **Activity 1**

Materials needed:

- Different items that the students can share (toys food etc)
- The sharing song

Procedure:

1. Play the song for the children and talk about the words that Red uses.
2. Play the song again.
3. Have students pair up and the teacher places an object in front of each group.
4. Play the song again and this time while the song is playing have one student play with the item while the other student waits patiently.
5. When Red sings "Let's switch places" the other student then plays with the item

## **Activity 2**

1. Teach the children the sharing song.
2. Have students take turns passing out the snack during snack time. The student that has his/her turn to pass out the snack sings the first part of the sharing song.
3. When all the snacks are passed out then the other students sing the second part to the sharing song.
