

## Down By The Sea

---

Down by the sea my family and me  
We love to jump in the waves... tshhhhh tshhhhh  
Down by the sea we all agree  
Is the very best place in the world to be  
We get to jump in the waves... tshhhhh tshhhhh  
Isn't it wonderful, isn't it grand  
Just wiggin' your toes in the warm hot sand

We love to ride on the raft... yahoo

Lay in the sun... hot hot

Look for shells... ooo ah

Feed the gulls... akh akh

Fall into bed... ahhhhhhhh
