

Dreamtime Rendezvous

Sun's gone down
The day is through
Sleepy-eyed family
Kicks off its shoes
One by one
They slide to the floor
Cuddle up close
And snore

Chorus

**All in a line
All in a row
Elbow to elbow
Toe to toe
Big ones, little ones
Knee to knee
Breathing soft
And sweet**

Silvery light
Fills the room
A family together
Bathed in the moon
A gentle breeze
Blows through the door
Floats across
The floor

Chorus

Crickets are singing
They never sleep
Down on the floor
You won't hear a peep
The midnight choir
Is minus a few...
