

## **Fill A Bucket**

(to the tune of Frere Jacques)

Fill a bucket      *Fill a bucket*

Every day      *Every day*

I can fill a bucket      *I can fill a bucket*

You can, too      *You can, too*

Fill a bucket      *Fill a bucket*

Every day      *Every day*

I like filling buckets      *I like filling buckets*

You will, too      *You will, too*
