

## Land Of The Silver Birch

---

Land of the silver birch, home of the beaver  
Where the mighty moose wanders at will  
Blue lake and rocky shore  
I will return once more

Boom diddy boom boom  
Boom diddy boom boom  
Boom diddy boom boom  
Whoa oh oh

Down in the forest, deep in the low lands  
My heart cries out to thee, hills of the north  
Blue lake and rocky shore  
I will return once more

Boom diddy boom boom  
Boom diddy boom boom  
Boom diddy boom boom  
Whoa oh oh
