

Say Hi!

Did you know some folks are shy
When it comes to sayin' hi!
They feel funny deep inside and they turn their heads away
They think no one wants to meet 'em
And nobody really needs 'em
So when you go up to greet 'em they turn their heads away

Chorus

**You've gotta stand up tall
Gather up a smile
Take a big breath
Look 'em in the eye and say "Hi!"**

So take it from your dog or cat
They've got their hellos down pat
Meow, meow, meow, woof, woof, yap, yap, they don't turn their heads away
So when someone is sayin' hi!
And its your turn for feeling shy
You might want to run and hide but don't turn your head away

Chorus

So when you're walking down the street
Say hello to those you meet
Don't be looking down at your feet
You've got to look 'em in the eye and say "Hi!"
